Martin -

As I indicated before, we do need guidance from Mr. Goulding on getting checks/deposit slips showing the money moving from Randall to Nutmeg. Nothing yet provided shows that Randall's personal funds were used on the Wilbur deals other than the existence of a mortgage and Randall's letter.

There were at least 5 Wilbur deals and Randall's letter addressed only a portion of the first investment in one of them. Where is the rest of the information?

Also, we would need assistance in directing us to the email showing that the amendment to the partnership agreement was approved.

Those are the only issues on the rule.

Kevin,

I have not heard from you, so I'm assuming that you will not be withdrawing your Motion for a Rule to Show Cause against Randall. That is regrettable. We feel that Randall has fully complied with all the issues set out in Leslie's Motion and it's unfortunate that we will now have to get Judge Hibbler involved in an issue that I thought we could resolve without encroaching on his time. Nevertheless, we will get started on the Response and will file it on Friday.
